

Directions for Use Guide for Mikro® Clean

Product Overview

Mikro® Clean is a safe, natural, and effective 2-in-1 deodorizing cleaner designed specifically domestic and commercial toilet and bathroom areas. It is packed with probiotics, has a mild lemon aroma and works to remove bathroom residues where pathogens and viruses grow. Breaking down odour-causing residues, leaving areas fresh and clean for up to 48 hours longer than chemical-based competitors.

Product Usage

1. General Cleaning:

- Surface cleaner (e.g. wood, laminate, glass, and plastic).
- Mikro® Clean is not a masking agent. When sprayed directly from the bottle, as a bathroom deodorizer, it acts to digest odour causing substances on surfaces and in the air.
- Removes bathroom residues, including uric acid scale.
- Add to a mop bucket of warm water for optimal floor cleaning results.

2. Specialized Use:

- Designed for bathrooms where septic, composting toilet and aerated wastewater treatment (AWT) are used, including RV and Caravans.

Application Guidelines

Household Uses

- Spray directly from the bottle.
- Spray onto surfaces, then wipe off with a damp microfiber cloth or paper wipe.
- 40 mL per mop bucket – add to warm water for best results.

Commercial Uses

- Spray directly from the bottle.
- Spray directly onto surfaces, then wipe off with a microfiber cloth or paper wipe.
- 40 mL per mop bucket – add to warm/hot water for optimal cleaning results.

Storage Instructions:

- Store in a shaded place. DO NOT FREEZE.
- Keep the container closed and free of debris when not in use.
- DO NOT SHAKE the product, as it is a fermented solution. Note that colour and odour may vary over time.

Warnings:

- Not for human consumption. In case of accidental ingestion, contact a poison control centre.
- Avoid contact with eyes and exposed skin. If contact occurs, rinse thoroughly with clean water.
- Use only as directed on this label.
- Follow local regulations for disposal.
- Use in a well-ventilated area due to the strong fermentative odour, which dissipates after use.

Note: This product has a natural citrus and earthy aroma that fades after application.
NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THE LABEL
